Natura Onecoat
WOOD SURFACE CLEANER

Description: Natura Onecoat Wood Surface Cleaner is a ready-to-use cleaning spray designed for the regular upkeep of wood treated with Natura Onecoat 2K Wood Oil. Whether used weekly or monthly, it helps maintain the condition of finished surfaces and performs effectively for small, spot-cleaning needs.

Color: Transparent (Pale Yellow)

General Features:

Natura Onecoat Wood Surface Cleaner spray offers a simple, ready-made solution for cleaning wood finished with Natura Onecoat products. As a pre-diluted version of Natura Onecoat Wood Soap, it provides effortless maintenance for treated surfaces. The spray lifts everyday dirt, smudges, and even tougher marks while preserving the wood's original appearance.

Formulated with gentle, environmentally conscious ingredients, this cleaner is safe for both families and pets. Its versatile composition performs equally well on wood flooring and furniture, making it an all-around maintenance spray for keeping your home's wood surfaces fresh and well cared for.
